

Pan American Rope Skipping Organization

Meeting Agenda

January 18, 2009

5:00 pm Mountain Time

Roll Call:

Molly Metz (USA),
Richard Cendali (USA)
Billy Smale (CAN),
Janine Carroll (CAN)

The meeting was called with just one item on the agenda, to finalize the Puerto Rico site. Molly has been unable to ascertain that the facility will not charge for 175 participants if we do not have that many registered. Before Wednesday Molly will confirm that we will only be charged for the number who are actually attending the camp (either as athletes, coaches, chaperones, parents). She will also be sending us each a copy of the registration package that was used 2 years ago, which she will be using again as a template.

Ideally we will have all necessary information to be sent to national organizations by Friday and to discuss with the Presidents of CRSF and USAJR during their meeting visit on January 25, 2009.

Members will keep in touch via e-mail.
